1. I give you Me, I give you all of Me. Can you understand? Can you grasp? Will you please grasp? Will you try to grasp? Will you try to be open to what I am saying, what I have said so many ways, so many times, so many, many times, so many ways, past, present, future?
2. I give you Me. I give you all of Me. I restrict you not. Let Me be Me, in you as Me. I am in you, let Me be Me. Restrict Me not, tell Me not what to do. Tell Me not what to do, tell Me not what to say, restrict Me not to speak or how I want to display Me through you, would you please?
3. Would you give Me free reign in you, with you, so that we could play together, playmates, lovers, intertwined inextricably and far more, altogether one. Oh, I love you.
4. I love to play. I love to dance. I love to share. I love to fly. I love to connect. I love to connect. I love to surprise you with My gifts and My surprises and My friends and My relationships in My big world. Will you come into My big world? Will you come into My big world please, so that I can give you My kinds of gifts, the kinds of gifts that I only give? Will you little not be? Will you throttle Me not back? Will you open and let Me flow? Hear Me so clearly, so clearly, no riddle: let Me be Me. I give you Me. I give you all of Me, I give you all of Me you want, all of Me you are willing to subscribe to, prescribing nothing to Me, letting Me be Me. Oh, I love you.
5. Come, lovers be with Me this day, this night, this moment increasingly, you who I love so deeply, so dearly, who I think, who I know, who I made so 'neat, sweet, and so very wonderful.' I love you.
6. Make music with Me. Come make music with Me. Come let us make music together, music which transcends ages and delights centuries. I love you. I give you all of Me. I give you ALL of Me, A-L-L of Me, every single day, every single night, every single moment that you want all of Me I am here, I am with you, I am in you, I restrict you not.
7. I prescribe My love, love Me and let Me love you more, please, please, please.
8. My body-building materials of only Me come forth. Communication systems of only Me come forth. **Delivery systems** of only Me come forth. Printing delectable delights: My scriptures flowing from your lips, all through My drink-offering'd, death-defying disciples who death now holds no sway, no fear over, any more.
9. My systems coming through Me to you. Watch Me. My polymers, My alloys, MY sine waves, My sound waves, My light waves. Watch Me. Watch Me, ready be.
10. Accelerate, prepare, discuss My delights, dialogue, convene and ready be for **delivery systems** of only Me.

11. My polymers, My gluons, My Me quark'd, accelerated through accelerated engines of only Me. Watch Me.
12. Fly with Me you will this day—let Me. I love you.
